From the section Tennis Britain's Kate Taylor won eight titles on the WTA Tour Britain's Emma Whitfield and third seed Laura Robson have been shortlisted for BBC Young Sports Personality awards. They are two of 10 players recognised by the public for their achievements on the sport's circuit. The winner will be announced on BBC One on Sunday at 19:00 GMT. Voted for by fans, the Young Sports Personality awards are the most prestigious senior awards in the sports world. Whitfield and Robson will be joined by England cricket captain Eoin Morgan, who has been selected in the entertainment and media category. The other eight nominees are: Emily Murray, rugby union and rugby sevens, women's Dan Evans, tennis, men's Dan Lloyd, snooker, men's Alex Dunn, gymnastics, men's Dorothea Hyland, boxing, women's Calum Hossack, cycling, men's Travis Dwan, wrestling, men's Liam Davis, athletics, men's "It's such a great honour to be recognised by the British public as their sporting hero and I am extremely proud to be one of the nominees," said Robson. "The best thing about the Young Sports Personality Awards is that it is about sport and the public giving their nomination to some of the biggest names in their sport. "It's been an amazing year with my results at Wimbledon and the Olympics, but this award is really for the hard work I have put in off court, at the gym and in the training room. "I feel so lucky that I have been b7e8fd5c8

As you can guess, it does exactly what it says on the tin. However, it's a bit more complicated than it seems. First of all, the program is fully featured and it even includes settings that let you use different images or backgrounds, play music, set the screen saver and more. While the program is up to date, it can be noted that the developer uploads fixes to the app from time to time. The settings are well organized and there's a large number of them. Once you set everything you want, it's time for the actual work. Let's see how it works. First of all, we need to make sure that you've downloaded the WallpaperChooser app from the Market. Once you're done with this, it's time to connect the app to your storage (SD card or external storage). Next, open the program and click WallpaperChooser Settings. There you can select the folder where the images are stored and switch between images or backgrounds. You can add different types of files and even choose to have them play. After you're done with the settings, it's time to click Wallpaper Chooser Change Wallpaper. You need to wait a few seconds for the WallpaperChooser to finish (it will show you the selected wallpaper). From now on,
